VILLAGE N LIFE 

Camps Bay Retreat offers guests the unique opportunity of experiencing the green tranquility of a nature reserve. The estate comprises four acres of private land with a mountain pool, waterfall and streams.

Within walking distance of the beach, restaurants and sidewalk cafés, this unsurpassed urban sanctuary is set amongst lush woodland on one of the most magnificent estates in South Africa, with superlative ocean views and the dramatic backdrop of the Twelve Apostles mountain range.

At Camps Bay Retreat you have a choice of accommodation from the elegant Earl's Dyke Manor, the contemporary Deck House or The Villa.

Opulent and exquisitely appointed, Earl's Dyke Manor will allow you to sink into the gracious comfort reminiscent of a more refined era. The modern and chic Deck House and Villa with their open plan interiors boast vanity baths and view decks, seamlessly connecting you to the natural surrounding beauty.

Take advantage of a variety of swimming pools, a private tennis court and nature walks or simply pamper yourself at the spa. End the day with a romantic dinner on the verandah, and savour a delicious, home made meal while indulging in the glorious ocean sunsets.

Stay at Camps Bay Retreat and you'll enjoy an unforgettable experience...engaging all your senses... from the feel of absolute calm, to the fragrant smell of fynbos and the soothing sound of the ocean.

“A RETREAT IS A PLACE OF UTMOST SERENITY, PROVIDING PRIVATE SPACE FOR CONTEMPLATION, WHILE OFFERING THE NATURAL BEAUTY AND STILLNESS REQUIRED TO RESTORE THE SOUL.”
